

*To our precious **Kya Kim Annabella**, on your baptism,*

Today, we have gathered together to bless and dedicate your life to God and His service. We are so excited to be here with our family and friends. We pray that the woman you become is the woman that God has planned. As your parents, we commit to helping you fulfill your destiny. We hope that you will walk closely with Jesus. We pray that bonds of your family will become part of your bond with God and His church. I'm reminded of the verse that talks about faith, hope and love, and we all know that the greatest of these is love. Our hope and prayer as parents is that you will recognize this in all that you do, and this simple truth will guide all your actions. Kya, you are a gift from God, and we pray that your life will be a gift back to Him. May the Lord bless you and keep you for all the days of your life.

Love your Daddy and Mommy
