Welcome to
St. Paul's
Anglican Church
**Prayer
Labyrinth**

Our Labyrinth is located in our NorthEast Garden and is open for all to enjoy, free of charge. Come and walk the path or enjoy a time of quiet reflection sitting on the stone bench in the Labyrinth's centre.

St. Paul's labyrinth is a 50' diameter 11 circuit design, patterned after the famous "Rose Labyrinth" on the floor of the historic *Chartres Cathedral* in France. It has a grass path to walk on, outlined with rustic red bricks engraved to last 100 years or more.

Installed on the occasion of our
100th Anniversary
[Summer 2008]

We invite you to support the maintenance and upkeep of our Labyrinth by purchasing an engraved brick **Path Marker** [you may use the **Order Form** at right]. Engraved in black block letters, these path markers hold our church family's names and memories from the past 100 years and can be added to for the next 100 years to come! [The 11 circuits are outlined with 3,000 brick pavers.]

Walk through our Labyrinth and read the engraved bricks there for ideas on what you might wish to record ~ a favourite thought or quote, a special occasion such as a **Wedding or Baptism, or a Memorial for a friend or family member**. You may also want to celebrate a **historical event or honour a member of the parish** of St. Paul's.

You may buy one brick or many; bricks may be purchased at any time and will be installed throughout the spring and summer months.

Use the **Order Form** at right to purchase your brick. Choose **Small** [\$25], **Large** [\$40] or **Large Vertical** [\$40], as best suits the wording of your engraved message.
